

Heffley Creek Elementary Supplies and Fees Form 2017/2018

School District #73 offers a program that allows families to purchase their child's school supplies directly through their school at a real savings. This is a once a year charge which will ensure your child will always be equipped with the proper materials he/she needs in order to participate in their daily lessons.

If you do not wish to participate in the school supply program and will be providing your child's supplies, please indicate below and return this form to the school.

Additional fees, for participating classes only, will be \$7.00 for student agendas (Grade 2 & 3 students only) and \$15.00 per student for the Art Starts Performance series being held at Rayleigh Elementary.

Cheques are payable to Heffley Creek Elementary and one cheque can be made for all family members.

Complete the middle portion of this form and return the whole sheet to the school office with payment. The bottom portion will be completed by the school and returned to you as a receipt.
